## Our behaviour policy takes individual needs into account

As we aim for a child-centred approach to learning as one size doesn't fit all, so we must think about the **child-centred approach to discipline**. What works for one child, may not work for another. However, appropriate, fair and proportionate sanctions are necessary. Engagement with learning is always the primary aim. Although there are occasions when it is necessary, every minute a child is out of a lesson is one where they are not learning.

For children and parents: **Please note we will not discuss a child's sanctions with another parent/child.**

### **Responsibilities of staff:**

Members of staff who manage behaviour well:

- ✚ Deliberately and persistently catch children doing the right thing and praise them;
- ✚ Know their classes well and develop relationships with all children;
- ✚ Sustain a passion for their subjects to break through the limiting self-belief of some children;
- ✚ Relentlessly work to build mutual respect;
- ✚ Demonstrate unconditional care and compassion
- ✚ Set the example and communicate regularly with parents

### **Responsibilities of Pupils**

Children will know and understand how we **LISTEN**, are **KIND** and we **RESPECT** by:

- ✚ treating others and the school environment with consideration and respect
- ✚ listening when it is others' turn to talk
- ✚ doing what we are asked to do by all staff
- ✚ sorting out difficulties without making matters worse
- ✚ asking for help if we need it and to do our best to let others learn
- ✚ demonstrating appropriate behaviour as guided by the Gospel values

### **Responsibilities of Parents**

- ✚ To set the best example for your children
- ✚ To bring children to school on time, ready to work
- ✚ To treat other people's children with respect and tell school if there are concerns
- ✚ To talk to your children about the things they learn in school
- ✚ To tell school about anything that may affect your child's learning or behaviour
- ✚ To support school in reinforcing what is expected and appropriate
- ✚ **To be understanding and to realise that there will always reasons for behaviour - you won't know the background or private difficulties someone else's child may be experiencing and this will not be disclosed to you.**

Stage	Actions
1. Praise and reminders	Always <b>keep praising</b> the behaviours and effort you want to see. Generic reminders of the expectations wherever possible. Repeat reminders if necessary. De-escalate and decelerate where reasonable and possible and take the initiative to keep things at this stage.
2. Reset	<p>A clear verbal caution to <b>'reset'</b> delivered privately wherever possible, making the child aware of their behaviour. Provide no other communication or attention for a short while, but as soon as they show some compliance, praise that. Give only the positive behaviour the attention.</p> <p>If low level behavior continues, speak to the child privately and give them a final opportunity to engage. Offer a positive choice to do so.</p>
3. Sanction	<p>Appropriate and proportionate sanction in place, ranging from 5 minutes to full breaktime loss (if this is suitable for the child in question. <b>An alternative sanction needs to be sought if not.</b>) This is supervised by the class teacher.</p> <p>The child will miss part of their break time or lunchtime, excluded from other children and missing their playtime. Children need to complete their time respectfully, otherwise the child will need to repeat the sanction. Depending on the seriousness of the behaviour, a child may need to spend more than one session in sanctions. Children should be sent with their reading books or work to complete. Teachers will chat to parents when necessary.</p>
4. Internal referral	<p>A further offence results in the child being sent to another class to work in isolation. (Teachers should make arrangements with each other about where these children are to be sent).</p> <p>Teachers provide work so no lesson time is lost.</p>
5. Contact of parents	At this stage, the parents of these children will be informed of their poor behaviour by telephone if possible. This call will be made by the class teacher. The Headteacher will need to be informed.
<p><i>All stages:</i></p> <p>Making amends</p>	<p>Making amends, saying sorry and showing forgiveness is an important part of restoring relationships. Where necessary, briefly acknowledge disappointment in choice of behavior, but quickly praise their effort in turning things around, however small.</p> <p><b>Videogame theory:</b> Children engage with videogames. They have the right level of sanctions and rewards in order to keep the child engaged. If they lose a life, the game resets and children try again. There are no long lectures, dwelling on negatives or analysis of what they did wrong. Given the right conditions, the child will learn.</p>

Steps will always be gone through with care and consideration, taking individual needs into account where necessary. We **praise the behaviour we want to see**. We do not pander to attention seekers. All children must be given 'take up time' in between steps. *It is not possible to leap or accelerate steps for repeated low-level disruption. Severe behaviour will be treated very serious and parents will be contacted immediately. See full policy for more details.*

## Bullying

**Definition:** Somebody *persistently* doing something to you, physically, verbally or emotionally that you don't like. Children are taught the '**STOP**' acronym to help identify bullying - bullying is *Several Times On Purpose*.

All children can fall out with each other from time to time. Everyone has good days and bad days. **When we use the term 'bullying' we do not mean general playground squabbles or disagreements.**

**IF YOU HAVE ANY CONCERNS ABOUT YOUR CHILD OR SOMEONE ELSE'S CHILD LET A MEMBER OF STAFF KNOW STRAIGHT AWAY. DON'T KEEP IT A SECRET OR BE AN ONLOOKER!**

Signs to look out for:

- Child becomes shy, loses confidence
- Sudden temper tantrums or nightmares
- Clothes torn or missing
- "I don't want to go to school", "I feel sick."
- Child may start to bully others.

**REMEMBER** Bullying is a problem that can cause extreme anxiety. Close liaison between home and school will save considerable distress. Once the problem has been recognised solutions can be quickly agreed.

**REMEMBER STOP BULLYING! 'START TELLING OTHER PEOPLE'**

## GOOD BEHAVIOUR IS REWARDED!

SS Peter and Paul Catholic Primary is committed to creating an environment where excellent behaviour is at the heart of productive learning, and children feel safe and valued. Everyone is expected to maintain the highest standards of personal conduct, to accept responsibility for their behaviour and encourage others to do the same. Through our values based on the Gospel, we aim for our children to become kind, compassionate, responsible citizens.

***Make school a fun, happy and safe place to be!***
