

Science; rocks and fossils

What are rocks?

Are all rocks the same?

How are rocks made and how long does it take?

What does permeable and eroded mean?

Which would be the best stone to use as a sharpening stone?

Which rock would be best to build a roundhouse?

How would you identify the three types of rock?

What are fossils?

Who was Mary Anning?

STEM: Whose poo is whose? What did the people eat? How can we tell?

Art;

What do the cave paintings tell us?

How were cave paintings created? Exploring different natural medias

To master techniques - using pastels effectively

Taking inspiration from the greats - Were cave drawings the first art? Looking at the Lascaux caves

DT;

Forest school: How do you create a toolkit for a caveman?

To master practical skills - research stitching and joining techniques for textiles
design and make clothes for a Stone age boy

Learning for Life

The rule of law - Why do we need rules?

Democracy - What is democracy? Linked to School council elections

Our school ethos and values - why are these important?

Get Up

We Don't Have To Be The Same

Respecting Our Bodies

What has pre-history taught us?

The Big questions...

Literacy

Texts

The first drawing - whole class reading

Stig of the dump - class novel

A Stone Age Boy - stimulus

Ug

How to wash a woolly mammoth

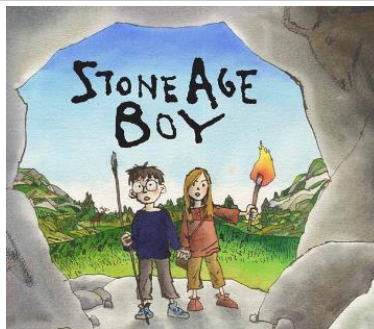

Genres:

To inform/ to entertain - recounts (diary in role)

To inform - procedural instructions

To inform - non-chronological reports

Poetry- on the Ning Nang Nong

Launch: Re-creating the Lascaux caves

Landing: A migration to the Wrekin Hillfort

RE: The Christian family

What is Prayer and liturgy?

How do I belong?

What is 'the church'?

What makes up our Christian family?

What is Baptism?

What do the signs and symbols of Baptism mean?

What happened to Jesus in the temple?

What are the promises made by parents and Godparents at a Baptism?

History: Stone age, bronze age, iron age

When did pre-history begin/ end?

Historical geography: what was happening in the UK in the 3 eras?

What evidence has been left behind and what do we know from it?

How did the Bronze age impact Britain?

How did food and farming change through the 3 eras?

How did life and settlement change across prehistory?

How did life change for people in the UK?

How did farming and food change through the eras?

Did the Bronze age/ Iron age people settle in Shropshire? How do we know? (Local study element)

What brought the end of the prehistoric ages?

Computing:

NCCE

Computing systems and networks - Connecting computers.
