## 1. Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education’s (DfE’s) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

## 2. Legislation and guidance

This policy is based on the Department for Education’s (DfE’s) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
- [The School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#)

- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013 and the 2024 amendment](#)

It also refers to:

- [School census guidance](#)
- [Keeping Children Safe in Education](#)

### 3.5 Class teachers

Class teachers are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using the correct codes (see Appendix 1), and submitting this information to the school office at 9am and 1pm.

### 3.6 School admin staff

School admin staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents/carers to the class teacher, SENCO or head teacher where appropriate, in order to provide them with more detailed support on attendance

### 3.7 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every day on time
- Call the school to report their child's absence before 8.50am on the day of the absence and each subsequent day of absence), and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Seek support, where necessary, for maintaining good attendance, by contacting school office, who can be contacted via 01952 386450

### 3.8 Pupils

Pupils are expected to:

- Attend school every day, on time

## 4. Recording attendance

### 4.1 Attendance register

We will keep an electronic attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 8.50am and ends at 3.30pm.

Pupils must arrive in school by 9am on each school day.

The register for the first session will be taken at 9am and will be kept open until 9.30am. The register for the second session will be taken at 1pm and will be kept open until 1.30pm.

## 4.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 8.50am, or as soon as practically possible, by calling the school admin staff, who can be contacted via 01952 386450 or [A3352@telford.gov.uk](mailto:A3352@telford.gov.uk).

If no contact is received from the parents/carers on the first morning of absence, we will follow 'First day contact' procedures and contact the parent by telephone or e-mail. Parents may also receive a call from Education Welfare as part of their routine duties and safeguarding procedures.

If leaving a message parents/carers must leave details of their child's name and the full reason for absence. We do not accept messages to say that a child is poorly or unwell, we will always ring back on these occasions to find out the full reason for the child's absence.

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

## 4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment.

For medical and dental appointments the school will require evidence of the date and time of the appointment.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

## 4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code
- Parents/carers of children who regularly attend school late, (5 sessions or more) will be spoken and written to and asked if there are any problems with their child attending school. There are many different strategies that we can put in place to encourage a child's punctuality. These will be discussed on an individual basis.

## 4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may ask the school Education Welfare Officer to conduct a safe and well check.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with school may: issue a notice to improve, penalty notice or other legal intervention (see section 5.2 below), as appropriate

## 4.6 Reporting to parents

The school will regularly inform parents (see definition of 'parent', as used in this policy, in section 3.7 above) about their child's attendance and absence levels. This happens once per term, in the autumn and spring term this is during the parents consultation appointments, for the summer term this is included in the Annual School Report.

# 5. Authorised and unauthorised absence

## 5.1 Approval for term-time absence

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance
- A temporary, time-limited part-time timetable

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 4 weeks before the absence, and in accordance with any leave of absence request form, accessible via the school office. The headteacher may require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)
- Exceptional circumstances
- Immediate Family weddings (Grandparents, Parents and Siblings)
- Close Family Funerals
- ½ day for Year 6 Grammar school tests

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

## 5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

### Penalty notices

The headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

In line with Telford and Wrekin Council Policy, if a child is absent for 10 school sessions within a 10-week rolling period and that absence is unauthorised, you may be subject to a Penalty Notice fine, criteria is as detailed below.

If the school issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent must pay £60 within 21 days, or £120.

### Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

## **6. Strategies for promoting attendance**

We encourage our families to communicate any issues, worries or changes in family circumstance with us, so we can help support them quickly and appropriately. Early Help means providing support as soon as an issue emerges, at any point in a child's life. Through SS Peter and Paul early help offer, there are a variety of ways we can do this.

We build relationships with parents/carers to help improve their child's attendance by inviting them in for meetings.

We support parents/carers by requesting school nurse involvement if a child's attendance is affected by illness. This is primarily to offer support to the family and to give them strategies to improve their child's attendance.

Staff members model personal punctuality.

All pupils are greeted by a member of staff in the morning, to give pupils a warm welcome.

We use parent/carers meetings and the school website to get all parents on body with the school's high expectations for high attendance.

The school regularly holds school uniform sales and hold a stock from school donations, to help parents/carers who can't afford to purchase new items.

We offer safe spaces around school and make sure the children know who they can talk to if they're experiencing any issues from challenges with their peers, to their mental health.

Newport Cluster Schools have an Education Welfare Officer and Family Support Worker who can support children who are reluctant to attend school.

## **7. Supporting pupils who are absent or returning to school**

### **7.1 Pupils absent due to complex barriers to attendance**

We aim to establish the barriers that exist and work together towards a solution. We will ensure that we approach each case with sensitivity, working with the family to support their child attending school. We will explore any barriers and reasons for anxiety around attending and seek to reduce or resolve them. Newport Cluster Schools have an Education Welfare Officer and Family Support Worker who can support children who are reluctant to attend school or have barriers. We will consult with other professionals depending on the needs of the child and family circumstance.

### **7.2 Pupils absent due to mental or physical ill health or SEND**

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority.

We will support the needs of the family working with professionals where necessary including the Education Psychology Service and BeeU. We have two Mental Health Leads in the school who are able to support families and children, we also have two ELSA trained leads as well as a family support worker who can provide this additional support if needed.

### **7.3 Pupils returning to school after a lengthy or unavoidable period of absence**

We will identify the needs of the child with regards to length and reason for absence. Together with parents and other professionals we will create a plan to support the child in their return to school. We will ensure that the child and family have regular check ins. Teachers consider the learning that child will have missed during the absence supporting the child where needed and communicating with parents. Identification of areas where the child needs support will allow a plan to be implemented. We will monitor the plan with parents and other professionals if needed and offer ongoing support. We will ensure that any relevant medical

information about the child is passed on to the adults supporting the child in school and if necessary, parents will complete a Health Care Plan.

## **8. Attendance monitoring**

The attendance officer monitors and analyses attendance daily. Patterns/reasons for absence are recorded and sent to the Headteacher. The Headteacher decides on appropriate action which may include home visits from the school's Educational Welfare Officer (EWO).

Half termly meetings will be held between the Headteacher, attendance officer and the educational welfare officer to discuss children who are persistently absent or at risk of being persistently absent and to develop action plans and procedures to support these pupils to attend school everyday.

### **8.1 Monitoring attendance**

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request.

The school has granted the DfE access to its management information system so that data can be accessed regularly and securely.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing body.

### **8.2 Analysing attendance**

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

### **8.3 Using data to improve attendance**

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance reports to class teachers, to facilitate discussions with pupils and families, and to the governing body and school leaders (including special educational needs co-ordinators, designated safeguarding leads and pupil premium leads)

- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

#### **8.4 Reducing persistent and severe absence**

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
  - Discuss attendance and engagement at school
  - Listen, and understand barriers to attendance
  - Explain the help that is available
  - Explain the potential consequences of, and sanctions for, persistent and severe absence
  - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant. This may include support from the Education Welfare Officer and the Family Support Worker who are employed by the Newport Cluster Schools.
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 5.2, above)

### **9. Monitoring arrangements**

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum once per year by the headteacher. At every review, the policy will be approved by the full governing body.

### **10. Links with other policies**

This policy links to the following policies:

- Child protection and safeguarding policy
- Positive Behaviour policy

## Appendix 2

### Guidance Notes for Parents requesting Leave in Term Time

1. Parents wishing the school to consider granting leave in term time should read these notes carefully and then complete and send the request form below to the Headteacher. This form should be sent to the school in time for the request to be considered **before** the desired period of absence. (Parents are strongly advised not to finalise any planned absence before receiving the school's decision regarding their request). In any event the request form must be received by the school at least four weeks before the leave in term time requested dates to allow sufficient time for appropriate consideration.
2. The granting of leave of absence in term time is, by law, a matter for consideration and decision by the Headteacher. There is no automatic right to any leave in term time. The Department for Education (DfE) Guidance '*Working Together to Improve School Attendance (Feb 2024)*' states that: *Generally, the DfE does not consider the need or desire for a holiday or other absence for the purpose of leisure and recreation to be an exceptional circumstance.* Telford & Wrekin Local Authority (LA) policy supports that view. Where such requests are made, the Headteacher should decide if there are **exceptional circumstances** before the leave is granted, if the leave is granted the Headteacher has the discretion to agree the duration of that leave.
3. Each case will be considered individually and on its own merits. Parents therefore, need to consider very carefully before making any request for leave in term time, the demands of the National and wider School Curriculum especially at the Key Stage assessment stage. In considering a request, the school may also take account of: -
  - the **exceptional** circumstances stated that have given rise to the request;
  - whether the child is compulsory school age;
  - the stage of the child's education and progress and the effects of the requested absence on both elements;
  - whether the same trip could be taken during the 13 weeks school is closed to pupils?
  - students/pupils on examination courses or due to take SATS will **not** normally be granted leave of absence.
4. Where parents have children in more than one school, a separate request must be made to each school. The Headteacher of each school will make their own decision based on the factors relating to the child at their school. However, there is an expectation that all schools involved will communicate and all agree a decision whether to authorise or not. It is hoped that if this situation arises parents will be persuaded to accept the reasons for refusal given and, thereby, withdraw any leave requests.
5. Where requests for a grant of leave in term time are received from only one parent the response letter – agreeing or refusing – will be either addressed to both/all parents where they live at the same address or to each where they do not. This is to ensure, particularly in the case of a refusal, that both or all parents are fully aware of the consequences of ignoring a refusal as the refusal letter clearly states that each parent may receive a penalty notice.
6. Should the school decide to grant the leave. but the child **does not return to school at the time s/he was expected to** (i.e. following the expiry of the granted leave in term time period) and, no information is available to the school to explain/justify the continuing absence or, make known the whereabouts of the child, **his/her place at the school could be lost.**
7. Should the School decide **not to grant the leave** and parents still take their child out of school the absence will be recorded as **unauthorised** which may be subject to a Penalty Notice fine of £160 per parent per child. This Penalty Notice fine will be reduced to £80 if paid within the first 21 days. Failure to pay the £160 fine within the period 22 to 28 days may lead to Court proceedings, which could ultimately result in a fine of up to £2500 and/or imprisonment of up to three months.

## School Letter (sample) Leave in Term Time Not Agreed

(Parents name and address)

Date

Dear (Parents name)

(Child's Name and Date of Birth)

Thank you for your letter/form dated (date) requesting permission for (pupil's name) to be absent from school for (number of sessions), between (dates).

As you may be aware the government has published a national framework for Penalty Notices and has renewed appeals to parents not to take their children out of school during term time. The Governors of the school support this and agree that students will only be given permission to take leave in term time if there are exceptional circumstances. Having looked at your application, although understanding of your reasons, I do not feel that your request can be supported in this instance because ..... Therefore, if the absence occurs the dates will be unauthorised.

As a school we are asked to inform you that, in line with both the Department for Education and Telford and Wrekin Council Policy, 10 sessions of unauthorised absence within 10 school rolling weeks may be subject to a Penalty Notice fine of £160 payable per parent, per child, which can be reduced to £80 if paid within 21 days, but only if it is the first Penalty Notice issued to you from 1<sup>st</sup> September 2024. If this fine is not paid within 28 days this may lead to Court proceedings which could ultimately result in a criminal record and a fine of up to £2500 and/or an alternative sentence which can include up to three months imprisonment.

If this absence results in a second Penalty Notice issued to you within three years of the date of the first one, (from 1<sup>st</sup> September 2024) a flat rate of £160 will apply. A third Penalty Notice will not be issued within a three year rolling period. Therefore, alternative action or legal measures will be utilised when the criteria of 10 sessions of unauthorised absences in a 10 school week rolling period are met.

Our key priority is to ensure that (pupil's name) is as successful as possible and can achieve (his/her) full potential. I would hope that, upon reflection you are able to support this decision in line with the government and local authority policy that leave should be restricted to the 13 weeks school holidays except in exceptional circumstances.

I have attached a copy of (pupil's name) attendance for this academic year.

***The Headteacher has been fully consulted in relation to this request for leave and fully supports the decision made.***

Thank you for your understanding; I hope this letter explains the decision that has been made.

Yours sincerely
