

Meet the Teacher...

Welcome to Year 3

## Our School Values

# Our Mission Statement

God made us all to be different and unique, this is what makes us special. God created us to be part of his family.

We live our school vision 'let our light shine' in all that we do, we follow the example of Jesus as he is the light of the world.

Jesus Christ said, "Your light must shine before people, so that they will see the good things you do and praise your Father in heaven." (Matt.5:16)
