Relationship Education Policy

Our Blessed Saints Federation

SS Peter and Paul Catholic Primary School

Approved by:	Governing Body	**Date:** 29th September 2026
Last reviewed on:	September 2026	
Next review due by:	September 2027	

Our Blessed Saints Federation

From September 2017, SS Peter and Paul Catholic Primary School became federated with St. Luke's Catholic Primary School and as such Our Blessed Saints is now the new Federated Governing Board for both schools.

Our Overarching Vision

Our vision is one where we see ourselves playing our part within a strong community of Catholic schools across Shropshire. We strive to provide all our children with the values by which they can live their lives.

Although each school will maintain their unique identity and Mission Statements, Our Blessed Saints Federation is united in the belief that each child is made in the image and likeness of God, with a divine origin and an eternal destiny, worthy of deep respect. Each person is a unique individual – a creation of God, and every child, without exception, is valued.

Our Values

Therefore, we strive to develop every aspect of the child: social, intellectual, emotional, spiritual and moral, to their fullest potential. All of our learning is rooted in positive, loving relationships, based on the values of the Gospel and the teachings of the Church.

Faithfulness and Integrity
Humility and Gentleness
Compassion and Dignity
Forgiveness and Mercy
Peace and Unity
Service to others

Implementation and Review of Policy

This policy was implemented following consultation with the Governing Body and parent consultation meetings held in March 2021. In line with subsequent DfE guidance, a further consultation with parents was undertaken in autumn 2026, following which the Governing Body made key decisions regarding the policy. The policy will be reviewed annually by the Headteacher, RSE Coordinator, Governing Body, and staff. The next review date is Spring 2027.

Dissemination

The policy will be shared with all teaching and non-teaching members of staff. Copies of the document will be available to all parents through the school's website and a hard copy is available from the school office. Details of the RSE curriculum will also be published on the school's website.

DfE RELATIONSHIP AND SEX EDUCATION

The DfE guidance states that "children and young people need knowledge and skills that will enable them to make informed and ethical decisions about their wellbeing, health and relationships". High quality RSE does this by promoting their "moral, social, mental and physical development" and cultivating "positive characteristic including resilience, self-worth, self-respect, honesty, integrity, courage, kindness, and trustworthiness". It is about the development of the pupil's knowledge and understanding of her or him as a sexual being, about what it means to be fully human, called to live in right relationships with self and others and being enabled to make moral decisions in conscience. In primary schools the focus should be on "teaching the skills and

knowledge that form the building blocks of all positive relationships, supporting children from the start of their education to grow into kind, caring adults who have respect for others and know how to keep themselves and others safe."[1] This would include the topics of families and the people of who care for me, caring friendships, respectful relationships, online relationships and being safe. In Secondary schools RSE should "provide young people with the information they need to develop healthy, safe and nurturing relationships of all kinds…By supporting confidence and self-esteem, RSE will enable young people to make their own choices about whether and when to develop safe, fulfilling and healthy sexual relationships, once they reach the age of consent, and to resist pressure to have sex."

STATUTORY CURRICULUM REQUIREMENTS

We are legally required to teach those aspects of RSE which are statutory parts of National Curriculum Science.
However, the reasons for our inclusion of RSE go further.

RATIONALE

I HAVE COME THAT YOU MIGHT HAVE LIFE AND HAVE IT TO THE FULL

(Jn.10.10**)**

We are involved in relationships and sex education precisely because of our Christian beliefs about God and about the human person. The belief in the unique dignity of the human person made in the image and likeness of God underpins the approach to all education in a Catholic school. Our approach to RSE therefore is rooted in the Catholic Church's teaching of the human person and presented in a positive framework of Christian ideals.

At the heart of the Christian life is the Trinity, Father, Son and Spirit in communion, united in loving relationship and embracing all people and all creation. As a consequence of the Christian belief that we are made in the image and likeness of God, gender and sexuality are seen as God's gift, reflect God's beauty, and share in the divine creativity. RSE, therefore, will be placed firmly within the context of relationship as it is there that sexuality grows and develops.

Following the guidance of the Bishops of England and Wales and as advocated by the DFE (and the Welsh Assembly Government) RSE will be firmly embedded in the PSHE curriculum as it is concerned with nurturing human wholeness and integral to the physical, spiritual, emotional, moral, social and intellectual development of pupils. It is centred on Christ' s vision of being human as good news and will be positive and prudent, showing the potential for development, while enabling the dangers and risks involved to be understood and appreciated.

All RSE will be in accordance with the Church's moral teaching. It will emphasise the central importance of marriage and the family whilst acknowledging that all pupils have a fundamental right to have their life respected whatever household they come from and support will be provided to help pupils deal with different sets of values.

VALUES AND VIRTUES

Our programme enshrines Catholic values relating to the importance of stable relationships, marriage and family life. It also promotes those virtues which are essential in responding to the God's call to love others with a proper respect for their dignity and the dignity of the human body. The following virtues will be explicitly explored and promoted: faithfulness, fruitfulness, chastity, integrity, prudence, mercy and compassion.

AIM OF RSE AND THE MISSION STATEMENT

Our Mission Statement commits us to the education of the whole child (spiritual, physical, intellectual, moral, social, cultural, emotional) and our role in preparing them to go forth into the next stage of their lives. We believe that RSE is an integral part of this education. Furthermore, our school aims state that we will endeavour to raise pupil's self-esteem, help them to grow

in knowledge and understanding, recognise the value of all persons and develop caring and sensitive attitudes. It is in this context that we commit ourselves:

In partnership with parents, to provide children and young people with a "positive and prudent sexual education" which is compatible with their physical, cognitive, psychological, and spiritual maturity, and rooted in a Catholic vision of education and the human person.

Objectives

To develop the following attitudes and virtues:

- reverence for the gift of human sexuality and fertility;
- respect for the dignity of every human being – in their own person and in the person of others;
- joy in the goodness of the created world and their own bodily natures;
- responsibility for their own actions and a recognition of the impact of these on others;
- recognising and valuing their own sexual identity and that of others;
- celebrating the gift of life-long, self-giving love;
- recognising the importance of marriage and family life;
- fidelity in relationships.

To develop the following **personal and social skills**:

- making sound judgements and good choices which have integrity and which are respectful of the individual's commitments;
- loving and being loved, and the ability to form friendships and loving, stable relationships free from exploitation, abuse and bullying;
- managing emotions within relationships, and when relationships break down, with confidence, sensitivity and dignity;
- managing conflict positively, recognising the value of difference;
- cultivating humility, mercy and compassion, learning to forgive and be forgiven;
- developing self-esteem and confidence, demonstrating self-respect and empathy for others;
- building resilience and the ability to resist unwanted pressures, recognising the influence and impact of the media, internet and peer groups and so developing the ability to assess pressures and respond appropriately;
- being patient, delaying gratification and learning to recognise the appropriate stages in the development of relationships, and how to love chastely;
- how to keep themselves safe by assessing risks and managing behaviours in order to minimise the risk to health and personal integrity.

To **know and understand**:

- the Church's teaching on relationships and the nature and meaning of sexual love;
- the Church's teaching on marriage and the importance of marriage and family life;
- the centrality and importance of virtue in guiding human living and loving;
- the physical and psychological changes that accompany puberty;
- the facts about human reproduction, how love is expressed sexually and how sexual love plays an essential and sacred role in procreation;
- how to manage fertility in a way which is compatible with their stage of life, their own values and commitments, including an understanding of the difference between natural family planning and artificial contraception;
- how to keep themselves safe from sexually transmitted infections and how to avoid unintended pregnancy, including where to go for advice.

Outcomes

INCLUSION AND DIFFERENTIATED LEARNING

We will ensure RSE is sensitive to the different needs of individual pupils in respect to pupils different abilities, levels of maturity and personal circumstances; for example their own sexual orientation, faith or culture and is taught in a way that does not subject pupils to discrimination. Lessons will also help children to realise the nature and consequences of discrimination, teasing, bullying and aggressive behaviours (including cyber-bullying), use of prejudice-based language and how to respond

and ask for help. (In looking at these questions, it is important to draw links to the school s inclusion policy).

EQUALITIES OBLIGATIONS

The Governing Body have wider responsibilities under the Equalities Act 2010 and will ensure that our school strives to do the best for all of the pupils, irrespective of disability, educational needs, race, nationality, ethnic or national origin, pregnancy, maternity, sex, gender identity, religion or sexual orientation or whether they are looked after children.

BROAD CONTENT OF RSE

Three aspects of RSE - attitudes and values, knowledge and understanding, and personal and social skills, will be provided in three inter-related ways: the whole school / ethos dimension; a cross-curricular dimension and a specific relationships and sex curriculum.

PROGRAMME / RESOURCES

Our Blessed Saints Federation subscribe to Ten: Ten 'Life to the Full Plus' which provides a relationships and sex education curriculum and bank of resources for Catholic primary schools. The programme has been authorised for use by the Diocese and aims to deliver the statutory RSE curriculum in a way which is in line with the Catholic ethos of the school.

Programme Structure

Life to the Full Plus follows a three-stage structure which is repeated across four different learning stages:

- EYFS
- Key Stage One is aimed at Years 1 and 2
- Lower Key Stage Two is aimed at Years 3 and 4
- Upper Key Stage Two is aimed at Years 5 and 6

Within each learning stage, there are three modules which are based on the Model Catholic RSE Curriculum:

- Created and Loved by God
- Created to Love Others
- Created to Live in Community

Each Module is then broken down into Units of Work.

Module 1	Created and Loved by God
Units	Religious Understanding Me, My Body, My Health Emotional Well-Being Life Cycles
Module 2	Created to Love Others
Units	Religious Understanding Personal Relationship Keeping Safe
Module 3	Created to Live in Community
Units	Religious Understanding Living in the Wider World

The units for each year group have been carefully matched to the starting points for our children and the long term plan is available on the school website. This will be reviewed annually following feedback from staff, pupils and parents.

Teaching strategies will include:

- establishing ground rules
- distancing techniques
- discussion
- project learning
- reflection
- brainstorming
- film & video
- group work

- trigger drawings
- values clarification

(See also Sex and Relationship Guidance. DCSF 2000 for more detail)

Pupils learning will be assessed by their performance and understanding against the PSHE success criteria. Their knowledge, understanding and enjoyment of the curriculum will be assessed through age appropriate pupil questionnaires.

There are a number of **key decisions** which have been made about the RSE curriculum:

- In KS1 children will learn the names for the male and female genitalia
- In Year 4+ children will learn about puberty and changing bodies in an age-appropriate way (please note that Year 4 will be taught as a cohort for these sessions).
- Female Genital Mutilation (FGM) (KS1, LKS2 and UKS2)
- and the Protected Characteristics concerning sex (UKS2)
- In Year 6 children will take part in two sessions called 'Where do babies come from?'. During the second session the children will learn about sexual intercourse in a way that is sensitive to both the Catholic faith and in an age-appropriate way. Parents can review this material through the parental portal. *Please note that the second session is the only session from which children can be withdrawn.

PARENTS AND CARERS

We recognise that parents (and other carers who stand in their place) are the primary educators of their children. As a Catholic school, we provide the principal means by which the Church assists parents and carers in educating their children. Therefore, the school will support parents and carers by providing material to be shared with their children at home and workshops to help parents/carers to find out more. Parents/carers will be able to see the content of the lessons by viewing the parent portal of Ten: Ten so they know when the more sensitive aspects of RSE will be covered in order that they can be prepared to talk and answer questions about their children's learning.

Parents must be consulted before this policy is ratified by the governors. They will be consulted at every stage of the development of the RSE programme, as well as during the process of monitoring, review and evaluation. They will be able to view the resources used by the school in the RSE programme. Our aim is that, at the end of the consultation process, every parent and carer will have full confidence in the school's RSE programme to meet their child's needs.

Parents continue to have the right to withdraw their children from Sex Education except in those elements which are required by the National Curriculum science orders. Should parents wish to withdraw their children they are asked to notify the school by contacting the headteacher. The school will provide support by providing material for parents to help the children with their learning.

We believe that the controlled environment of the classroom is the safest place for this curriculum to be followed.

Parents have ***the right to withdraw*** their children from RSE except in those elements which are required by the Science National Curriculum. Should parents wish to withdraw their children, they are asked to notify the school by contacting the Headteacher. The school will provide support by providing material for parents to help the children with their learning.

We believe that the controlled environment of the classroom is the safest place for this curriculum to be followed.

BALANCED CURRICULUM

Whilst promoting Catholic values and virtues and teaching in accordance with Church teaching, we will ensure that pupils are offered a balanced programme by providing an RSE programme that offers a range of viewpoints on issues. Pupils will also receive clear scientific information as well as covering the aspects of the law pertaining to RSE. Knowing about facts and enabling young people to explore differing viewpoints is not the same as promoting behaviour and is not incompatible with our school's promotion of Catholic teaching.

We will ensure that pupils have access to the learning they need to stay safe, healthy and understand their rights as individuals.

RESPONSIBILITY FOR TEACHING THE PROGRAMME

Responsibility for the specific relationships and sex education programme lies with the Headteacher, who will endeavour to ensure that aspects of the RSE curriculum are met throughout the wider school curriculum and in specific RE and PSHE lessons.

However, all staff will be involved in developing the attitudes and values aspect of the RSE programme. They will be role models for pupils of good, healthy, wholesome relationships as between staff, other adults and pupils. They will also be contributing to the development of pupils personal and social skills.

External Visitors

Our school will often call upon help and guidance from outside agencies and health specialists to deliver aspects of RSE. Such visits will always complement the current programme and never substitute or replace teacher led sessions. It is important that any external visitor is clear about their role and responsibility whilst they are in school delivering a session. Any visitor must adhere to our code of practice developed in line with CES guidance 'Checklist for External Speakers to Schools.

Health professionals should follow the school's policies, minimising the potential for disclosures or inappropriate comments using negotiated ground rules and distancing techniques as other teachers would. They will ensure that all teaching is rooted in Catholic principles and practice.

OTHER ROLES AND RESPONSIBILITIES REGARDING RSE

Governing Body

- draw up the RSE policy, in consultation with parents and teachers;
- ensure that the policy is available to parents;
- ensure that the policy is in accordance with other whole school policies, e.g., SEN, the ethos of the school and our Christian beliefs;
- ensure that the policy meets statutory requirements;
- ensure that parents know of their right to withdraw their children;
- establish a link governor to share in the monitoring and evaluation of the programme, including resources used;
- ensure that the policy provides proper and adequate coverage of relevant National Curriculum science topics and the setting of RSE within PSHE.

Headteacher

The Head teacher takes overall delegated responsibility for the implementation of this policy and for liaison with the Governing Body, parents, the Diocesan Schools' Service, Academy Trustees and the Local Education Authority, also appropriate agencies.

PSHE/RSE Co-ordinator

The co-ordinator with the Headteacher has a general responsibility for supporting other members of staff in the implementation of this policy and will provide a lead in the dissemination of the information relating to RSE and the provision of in-service training.

All Staff

RSE is a whole school issue. All teachers have a responsibility of care; as well as fostering academic progress they should actively contribute to the guardianship and guidance of the physical, moral and spiritual well-being of their pupils. Teachers will be expected to teach RSE in accordance with the Catholic Ethos of the school. Appropriate training will be made available for all staff teaching RSE. All staff have been included in the development of this policy and all staff should be aware of the policy and how it relates to them.

RELATIONSHIP TO OTHER POLICIES AND CURRICULUM SUBJECTS

This RSE policy is to be delivered as part of the PSHE framework. It includes guidelines about pupil safety and is compatible with the school's other policy documents (for example, Anti-Bullying policy, Safeguarding Policy etc)

Pupils with particular difficulties whether of a physical or intellectual nature will receive appropriately differentiated support in order to enable them to achieve mature knowledge, understanding and skills. Teaching methods will be adapted to meet the varying needs of this group of pupils.

Learning about RSE in PSHE and RE classes will link to/complement learning in those areas identified in the RSE audit.

CHILDREN'S QUESTIONS

The Governing Body want to promote a healthy, positive atmosphere in which RSE can take place. They want to ensure that pupils can ask questions freely, be confident that their questions will be answered, and be sure that they will be free from bullying or harassment from other children and young people.

Controversial or Sensitive issues

There will always be sensitive or controversial issues in the field of RSE. These may be a matter of maturity, of personal involvement or experience of children, of disagreement with the official teaching of the Church, of illegal activity or other doubtful, dubious or harmful activity. The Governing Body believe that children are best educated, protected from harm and exploitation by discussing such issues openly within the context of the RSE programme. The use of ground rules, negotiated between teachers and pupils, will help to create a supportive climate for discussion.

Some questions may raise issues which it would not be appropriate for teachers to answer during ordinary class time, e.g., where a child or young person's questions hints at abuse, is deliberately tendentious or is of a personal nature.

SUPPORTING CHILDREN AND YOUNG PEOPLE WHO ARE AT RISK

Children will also need to feel safe and secure in the environment in which RSE takes place. Effective RSE will provide opportunities for discussion of what is and is not appropriate in relationships. Such discussion may well lead to disclosure of a safeguarding issue. Teachers will need to be aware of the needs of their pupils and not let any fears and worries go unnoticed. Where a teacher suspects that a child or young person is a victim of or is at risk of abuse, they are required to follow the school' s safeguarding policy and immediately inform the designated senior member of staff responsible.

CONFIDENTIALITY AND ADVICE

All Governing Body, all teachers, all support staff, all parents and all pupils must be made aware of this policy, particularly as it relates to issues of advice and confidentiality.

All lessons, especially those in the RSE programme, will have the best interests of pupils at heart, enabling them to grow in knowledge and understanding of relationships and sex, developing appropriate personal and social skills and becoming appreciative of the values and attitudes which underpin the Christian understanding of what it means to be fully human.

Pupils will be encouraged to talk to their parents/carers about the issues which are discussed in the programme. Teachers will always help pupils facing personal difficulties, in line with the school's pastoral care policy. Teachers should explain to pupils that they cannot offer unconditional confidentiality, in matters which are illegal or abusive for instance. Teachers will explain that in such circumstance they would have to inform others, e.g., parents, Headteacher, but that the pupils would always be informed first that such action was going to be taken.

MONITORING AND EVALUATION

The RSE Co-ordinator will monitor the provision of the various dimensions of the programme by examining plans, schemes of work and samples of pupils work at regular intervals. The programme will be evaluated annually by means of questionnaires / response sheets/needs assessment given to pupils, and / or by discussion with pupils, staff and parents. The results of the evaluation should be reported to these groups of interested parties and their suggestions sought for improvements. The Governing Body will consider all such evaluations and suggestions before amending the policy. The Governing Body remain ultimately responsible for the policy.
