Phonics

We are learning phase 5 phonics this week, sounding and blending, writing a dictated sentence. We are continuing to learn HRSW.

Again correct letter formation and writing on the line is being reinforced.

Maths

Finding doubles to 10 and finding out how we can use a ten frame to identify the missing number.

In our mini adventure we have been exploring our senses in more detail through some investigations in science.

Our PE day this term is a Thursday, however PE kits need to be in school from Monday just in case. They will be sent home for washing by Friday at the latest 😊 Many thanks Mrs Oakes
