

# How has technology changed over the last 60 years?

The Big questions...

## Science: Inventors

- Macintosh - what did he do?
- Tim Berners Lee - why do we remember him?

## Pollution

- How have the oceans changed over time?
- How can we bring about change?

## Literacy:

### To inform:

**Narratives** - writing descriptions / settings.

### Giving information:

Use bullet points  
Labelled diagrams

## Computing: Digital Music

- What is digital music?
- How to create repeated rhythms and patterns
- How to create your own music using a digital medium.
- How to edit digital music.

## History: Change over time

- What does change mean?
- What is the difference between 'invention' and 'manufacture'?
- Why has change taken place? Why is some technology manufactured?
- What significant events have occurred?

## RE: Desert to Garden

What happened when Jesus appeared?

Begin to understand

- The Ascension
- Pentecost
- the fruits of the Holy Spirit?

Who was Saul?

What happened to St Francis?

## Art

Looking at and comparing the work of artists

- Vincent van Gogh
- Georgia O'Keefe

Recreating 'The Sunflowers' as a group collage using mixed media.

Recreate the style of Georgia O'Keefe.

LFL - staying safe

PE: Athletics  
Cricket

Music - Time

Playing tuned percussion instruments
